REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the recited electrically conductive silicon carbide configured on a substrate and electrically engaged with a contact. The prior art also does not teach the recited electrically conductive silicon carbide on a substrate projection or indentation

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roy K. Potter whose telephone number is 308 - 4106. The examiner can normally be reached on M-F.
